

SACRED HEART PARISH AND SCHOOL

January 16, 2013

Dear Sacred Heart Families,

The IOWA test scores are in, and you will see that Sacred Heart's over all building scores are amazing. Once again this validates that your child(ren) are receiving an excellent Catholic education where your children are learning, living and growing in their faith every day. Please help us share this data with your friends and neighbors, it should be no secret that Sacred Heart has been ranked in the top 15% of the nation based on standardized test scores. Our current 8th grade class has nine students who scored at university level, eleven at high school level, four at grade level (which is where they should be), and three below grade level. Please understand that the two out of the three students below grade level are either new to Sacred Heart this year, or have a special education plan. (I am happy to say, these three students have seen growth as well).

We will be having an Open House on January 26th from 12:30-2:30 pm. Please stop by and bring all of your friends and family too. We will have on display of all of our test scores results. You can see our technology that enhances and supports our learning. You can also see students' work proudly displaying some of the great learning and activities going on at Sacred Heart.

God's Blessings,
Mrs. Melissa Lambrecht
Principal
