

SACRED HEART PARISH AND SCHOOL

Annual Parent/Teacher Asbestos Notification

TO: Parents and Staff of Sacred Heart Catholic School
FROM: Melissa Lambrecht, Principal
DATE: August 8, 2016

Sacred Heart Catholic School has had an asbestos Management Plan prepared in compliance with the USEPA Asbestos Hazard Emergency Response Act (AHERA). This plan and subsequent updates are available for inspection Monday through Friday during normal school hours in the Main School Office.

In February, 2016 a Six-month Periodic Surveillance review, required by the AHERA regulation, was conducted by qualified personnel to re-evaluate the condition of asbestos containing materials at the facility.

In September, 2016 a Six-month Periodic Surveillance review, required by the AHERA regulation will be conducted by qualified personnel to re-evaluate the condition of asbestos containing materials at the facility. Reviews are done in February and September of each year.

The surveillance review also evaluated operations and maintenance procedures that will keep asbestos materials in good condition.

If you have any questions, please contact Mr. Neil Lezotte, Director of Sacred Heart Buildings and Grounds, our designated person for asbestos activities.
