

SACRED HEART PARISH AND SCHOOL

2017 - 2018 Tuition and Guidelines

Sacred Heart School is a very important part of the Catholic faith-forming and educational program at Sacred Heart Parish. Over a hundred years ago, our parishioners built the School and they continue to generously contribute their time, talent, and financial resources to its functioning. We are proud of our parishioners and all who actively participate and support our parish school.

While faith-formation and education take place in the classrooms of Sacred Heart School, we recognize that the most important part of faith-formation occurs in the family and parish-community. Weekend liturgies, as well as other activities appropriate to the students' ages and interests, greatly influence their faith development.

The cost of operating Sacred Heart School is derived solely from the student tuition and parish subsidy. **The approximate cost is \$5805.00 to educate each child and the parish subsidizes each child.** A concern always exists that this system may become inadequate when families are not active and supportive members of the parish. When families register at Sacred Heart, they are committing to being an active presence in community worship, in contributing their time and talents, and in financial support to the parish.

*Registration Fee: \$150.00 if paid by February 3rd with an additional rebate if your first tuition payment is made on or before April 20th.

*Registration Fee: \$250/family Non-Refundable Registration Fee is due at the time of registration.
